

LOCAL AND PERSONAL

RELIEF FUNDS HERE.

Chairman John M. Finger of the local committee for handling the Federal Unemployment Relief Funds for Medina County and County Judge R. J. Noonan went to San Antonio yesterday and presented Mr. Finger's bond for \$16,500 to the District managers of the fund. The bond was accepted and they returned with \$16,118.98, Medina County's allotment for November.

That means that \$16,118.98 are available for giving work to the unemployed on public work, but it does not mean that it has to be spent all in November. It will be applied as needed and in the way to secure the greatest amount of relief at the committee's discretion. The work will be done under the supervision of the County Commissioners, and Mr. Finger asks us to say to all unemployed who desire work to apply immediately to the Commissioner from their precinct so that the funds can begin at once to function in supplying work and relief for the unemployed and the needy.

RELIEF FUNDS READY.

Chairman John M. Finger of the Local Advisory Committee for handling the Federal Unemployment Relief Funds in Medina County has received the following telegram: San Antonio, Texas, 11-15-32 11:04 A. M.

J. M. Finger, Hondo. Funds available Thursday. Please bring completed bond to expedite payment.

RAY LEEMAN

Mr. Finger executed his bond, and accompanied by Judge R. J. Noonan, went to San Antonio yesterday to present it. Probably by the time this paper reaches its readers the first month's installment of the funds will be available for use.

Mr. Leeman writes in a letter to Mr. Finger as follows: "Your instructions as to the administration of funds in your County are that such relief funds as are paid for work relief will be used upon the basis of the following definition.

Work relief is wages or other compensation in cash or in kind, paid to work under the following conditions: (1) The recipients of work relief and the amounts given are both determined on the basis of actual need; (2) the funds for such relief will be made available from those specifically appropriated or contributed for relief purposes; (3) the funds are used for worthwhile projects determined by the locality, which could not otherwise be undertaken at the time or in the immediate future."

All minor details will be in the hands of the local committee, composed of J. M. Finger, Chairman, R. J. Noonan, H. E. Haass, P. Jungman and W. N. Saathoff.

It is expected that the expenditure of some \$32,000.00 in Medina County by January 1st, will go a long way in relieving the unemployment situation and result in much permanent and useful work in the county.

AT THE LUNCHEON CLUB.

At Tuesday's Luncheon Club meeting, J. M. Finger, Chairman of the Advisory Committee reported that \$32,000.00 of the Federal Unemployment Relief Funds have been allotted to Medina County for November and December and that about \$16,000.00 would be available for immediate use as soon as a surety bond of \$16,500.00 was provided for its safe handling. It was expected that this would be provided by Thursday of this week.

Mr. Ward of the Seed Loan Fund management reported 35 per cent of the loans paid. Borrowers are expected to pay these loans by Dec. 1st or make satisfactory arrangements for extension. The drought of last summer and the low price of everything that was produced is making it difficult for borrowers to meet these obligations.

The Club extended invitations to Senator-elect Regan of Pecos and Representative A. P. Johnson of Garza Springs to visit and address the club.

THANKS TO VOTERS.

I wish to hereby express my sincere thanks to the voters of Medina County for their support and vote of confidence, in the recent election.

Very sincerely,
R. J. NOONAN.

BITES HELD FOR PIONEER.

Funeral services were held Saturday in St. Gerard's church, with the Rev. Joseph Murphy officiating, for Mrs. Cornelia Bowen Noonan, 81, a member of a pioneer Texas family and widow of the late Judge George H. Noonan.

Mrs. Noonan, who died Friday at the home of her sister, Mrs. Elizabeth B. Nelson, 242 Nelson Avenue, was born in San Antonio, the daughter of John Bowen, original owner of Bowen's island. Bowen first came to Texas in 1830, and served as the first postmaster in this city.

Her late husband, Judge Noonan, for 30 years was district judge and later was elected to Congress. He was owner of the famous Circle-Dot brand of horses in the days of the open range.

Mrs. Noonan is survived by her sons, George B. Noonan of Castrovilla, and County Judge R. J. Noonan of Medina County; sisters, Mesdames Nelson, Isabella B. Orynski and Mary B. Gaenslen, and brothers, Dr. George R. Bowen and Frances J. Bowen.

Mrs. Cornelia B. Noonan made her home here for several years with her son, Judge R. J. Noonan, moving to San Antonio early last spring after being confined to her bed with the infirmities of old age. The deceased had reached a venerable old age, beloved of her children and relatives, and loved and esteemed by a host of friends in Hondo and Medina County; and a faithful, devoted member of the Catholic church. With strong faith and confidence in her religion she bore with patience and resignation the double affliction of blindness and deafness which came to her on her sick bed. She died well fortified and comforted with the blessings of her church, and her last wishes for a low mass were fulfilled Saturday morning, November 12, at St. Gerard's church, San Antonio.

Many Hondo and Medina County people attended the funeral Saturday, by their presence and the profusion of floral offerings paying a last tribute to their friend.

Our heartfelt sympathies go out to those who mourn her passing.

OBITUARY.

Mrs. Rosa Lee Rader, 71, died Sunday at her residence, 1316 Ruis st., San Antonio. Funeral services Monday afternoon with the Rev. John W. Smith of the Harriman Place Christian church officiating. Interment in Roselawn Burial Park. Mrs. Rader was a native of Fannin county, Texas, a former resident of MacLona, Texas, and had lived in San Antonio eight years. Palbearers: Frank Mobley, George Boehne, Joe Rihn, Charles Bless, Silva Haby and Rhin Haby. Survivors: Husband, John L. Rader; two sons, John L. Rader and Richard R. Rader of San Antonio; seven daughters, Mrs. Alois Haby of Riomedina, Mrs. August L. Haby of Utopia, Mrs. A. E. Grimsinger, Mrs. Jessie Bless and Mrs. J. R. Carson of San Antonio, Mr. R. D. Johnson of Houston and Mrs. R. H. Hudson of Little Rock, Ark.; and 17 grandchildren and 9 great grandchildren.

NOVEMBER ELEVENTH CELEBRATION.

A combination of circumstances caused the crowd to be smaller than had been anticipated at the November 11th celebration, but the liberal donations and the consequent low expense enabled the management to realize a neat profit from the event.

The barbecue was enjoyed by several hundred people, and there was an abundance of beef, mutton and kid left over to be disposed of by the management.

A football game in the afternoon attracted a large number of fans. Cotulla fought a game but losing fight and Hondo won by a score of 31 to Cotulla's none.

Several horse races interested horsemen during the afternoon. Following are the results of the race card: 1-4 mile for two year olds, first won by Eugene Schott's colt, second by Tom Garrett's colt and third by Jim Crutchfield's colt. The second race, 500 yards, was won by Colleen Moore, owned by John Buss; second by Tom Garrett's animal and third by Jim Crutchfield's. In the third race, 3-8 mile, Mayflower, owned by John Buss, won first; second by Nic Haby's Medina Sport, and third by Bob Carson's animal.

During the day various contests, foot races, etc., under direction of Prof. W. N. Saathoff, served to entertain the children and assure them of a good time.

And as a grand finale a large number of young people enjoyed a grand dance at night, Mack Rogers and his orchestra furnishing the music.

TO THE VOTERS OF J. P. PRECINCT NO. 1.

While I did not win in my race to serve you as Justice of the Peace, my heart is just as grateful to those who voted for me and just as void of resentment for those who saw fit to oppose me as if I had won. You stopped me in my effort to be your Justice of the Peace but you can't stop me from being a game loser. I thank you.

ST. PAUL'S LUTHERAN CHURCH.

"Having food and raiment, let us therewith be content." I Tim. 6, 8. Contentment does not depend upon the large amount of earthly possessions. Many a devoted mind thinks so. It does not make it so. The inspired writer, St. Paul, assures us that with a little there can be contentment. What a blessing in this life to be contented! To say, "I have sufficient, I am not worthy of the least of God's mercy and goodness," that is already a tremendous gain upon the adversities of life. "Godliness with contentment is great gain." I Tim. 6, 8. "Be ye free from the love of money; content with such things as ye have; for himself hath said, I will in no wise fail thee, neither will I in any wise forsake thee." Heb. 13, 5.
Is there any among us who has not every reason for being content? If we thus acknowledge the blessings of Almighty God, then our gratitude will be a natural expression of our state of mind and heart. The approaching Thanksgiving Day will be observed as is fitting and proper with special worship service and tribute paid to the Giver of every good and perfect gift.

There will be a special Thanksgiving Day service in our church on Thursday, Nov. 24, beginning at 10 o'clock. Let us be loyal to the government which sets this aside as a holiday, and be loyal to the Lord who makes it an "holy day". Special music will be rendered by the choir and the children.
Next Sunday morning there will be service in the English language at 10:30, Sunday School and Bible class at 9 o'clock. Note the change in the latter time.
There will be night service beginning at 7:30. Subject, "The Mystery of the Trinity". You are welcome to all of our services.

DR. B. B. MOEUR IS HONOR GUEST AT A DINNER HERE FRIDAY.

From an Arizona paper we are supplied with the following clippings which will be of interest to many Hondo and Medina County people: Mr. and Mrs. William F. Frerichs entertained with a dinner Friday evening in their home on Eleventh street at which time pink and rose chrysanthemums formed the decorative note.
Dr. B. B. Moeur, of Phoenix, was the honor guest, Dr. Moeur having been a friend of the Frerichs' family in Hondo, Texas, for years. His father, who was also a physician, was the Frerichs' family physician. Another guest, Charles Long, is a former business associate of Dr. Moeur.
Guests were Dr. B. B. Moeur, of Phoenix, Jules Hennes, Jr., also of Phoenix, Charles Long, Ether Hy-nie, E. L. Martin, J. L. Martin and Mr. and Mrs. H. A. Wimberley.
FINAL VOTE COUNT IN ARIZONA SHOWS WHIRLWIND BALLOT.
State Prohibition Act Is Defeated By 20,000 As Democrats Take All.
(By The Associated Press)
Repeal of the prohibition amendments to the state constitution and the statutes relating thereto, dating back to 1914, carried by a 20,000 margin.
Out of nine initiative and referendum measures, the state's electorate endorsed only one—proposition to reduce membership and pay of the 12th legislature, which will convene in 1935, and pay of the 11th legislature, which is to convene next January. The measure will reduce, by redistricting, the membership of the house by approximately one-third, and will cut pay of members from \$15 to \$8 per day. It carried by 18,000.
The democratic whirlwind extended to the legislature also. Only two republicans definitely had been elected to the lawmaking body on the face of returns at 11 o'clock tonight. Four were still in some doubt in Maricopa county and three in Yavapai two of the latter for house seats and the other for the senate.
Governor: Dr. B. B. Moeur (D), 63,759; Jack C. Kinney (R), 35,364; A. Bettwy (Apd.) 431; M. E. Gehon (Dem.) 89; Lawrence McGivern (Sec.) 468.

OBITUARY OTIS HENRY BOEHLE.

Otis Henry Boehle, deceased, was born to Ernest D. Boehle and Mary Sophie nee Breiten on May 27, 1922. He brought joy to the parents who received him as a gift from God, and the most precious that can be bestowed upon and loved by human parents. Hondo was the home of the family throughout the earthly sojourn of their charge.
"Suffer the little children to come unto Me." This word of the Savior prompted the Christian parents to bring their child to the Lord and ask Him to bestow His blessings on him. This was done when the deceased was baptized into the name of the Triune God, and became a child of God. In this Sacrament he received forgiveness of sins, life and salvation on July 23, 1922.
When he became of school age the departed attended public school in Hondo. He entered the fourth grade this year. He was always a faithful lad and caused no one any trouble. He worked diligently and thoroughly, and had many friends. Doubtless his parents had reasons for being proud of their son and entertained sincere hope for a bright future for him. Together with acquiring secular knowledge, our little friend also learned to know his Lord and Savior by faithfully attending the Sunday School classes. He manifested deep interest in the religious life of Biblical heroes and Jesus became for him the real Hero and Friend.
In October of this year this good and pious lad, who was in general in a state of good health, took sick. What was thought to be a minor ailment proved to be serious enough for an operation, which was performed in Hondo on Oct. 6th. This operation did not seem to correct the trouble as was expected and the deceased suffered a great deal. He remained bedfast. In fact so severe became the distress that a second operation was thought advisable and this was performed on Oct. 22. The departed seemed to rally very well from this operation and hopes were entertained for his complete recovery. However, this was not to be. Serious complications set in on Friday last and all human help seemed of no avail. The deceased, who trusted in the dearest Friend who abides in heaven, committed his soul to His care. The Lord of all life took his soul from him on Thursday, November 10, at 10 P. M. He attained the age of 10 years, 6 months and 14 days.
The departed leaves to mourn his early passing, his bereaved parents a grandmother, Mrs. Rosa Boehle of Quibbi, and two great grandmothers, Mrs. Julia Loessberg of Quibbi and Mrs. Joe Breiten of Hondo. Besides there are a host of near kin and many other relatives and friends.
A solemn service in the church paid the last respects to the departed life. Having been a very faithful Sunday School scholar, the Sunday School children sang two songs, "There is a Gentle Gardner" and "The Truest Friend Abides in Heaven". The pastor spoke words of comfort based on Mark 10, 13-16, on the subject, "Jesus wants children to come to Him."
Funeralbearers were: Chester Stiegler, Clarence Bohlen, Marvin Grell, Jack Hartung, Lewis Boehle and Lester Saathoff.
Our hearts go out to the stricken parents and loved ones and we wish for them God's greatest comfort and grace.
As for the departed, who fell asleep in Jesus, may his soul rest in peace until the final resurrection day, and enjoy eternal bliss.
When children young and tender Their infant souls surrender, And leave this earthly life, No cause have we for weeping, They are in God's own keeping, Aloof from every pain and strife.
Baptismal grace possessing, And every other blessing, That Jesus can bestow, They pass, through death's dark portal, To life and joy immortal, And like the stars forever glow.
This child, though at his leaving, Our hearts are deeply grieving, Went ne'er too soon away, Farewell, thou sacred treasure, We wish thee joy's full measure, In heaven's where thou hast gone to stay.
His Pastor.

TO OUR SUBSCRIBERS.

In addition to increasing our postal rates on mailing our papers about 25 per cent, the Hoover scheme for relieving the depression compels the post office to charge us two cents for every notice of change in address it delivers to us. You can send us a notice on a 1c postal card and not notice it, but a 2c charge on us will soon aggregate a burdensome sum to us, so we beg of you to not leave it to the post office to notify us of change of address, but do so yourself as soon as a change is made. Postmasters are asked to send no notice until several undelivered papers are accumulated and then only one. Thanking you in advance, we are,

Yours truly, THE EDITORS.

BAPTIST NEWS NOTES.

The Pastor and his wife, together with one of his sons, L. W. Merrill, of Berkeley, California, have gone this week by auto to Abilene, chiefly for the purpose of attending the annual sessions of the Texas General Convention, and incidentally to visit one of the Pastor's daughters, Mrs. Jack W. Blake. The Pastor will return in time for the regular services on next Sunday, the 20th. He would be happy if the membership shall kindly meet him in these hours of worship, when he will give some account of the Convention proceedings. You will hear a most interesting and informing story. Let no one forget the Teachers' Training Class which will be inaugurated on Monday night, the 28th inst. It is desired and expected that most of our people, teachers, adults and members down to the Intermediate department, shall be in this School. We must all become better informed and qualified to put forward the Lord's blessed work; then we shall experience greater happiness in the same. Our Superintendent is leading wisely and aggressively. Every man and woman of us should back him up by standing each one in his place. Joy and enthusiasm are essential in putting forward the work of the Saviour. We are all rejoiced that full and prompt recovery is the present outlook for our sister and neighbor, Mrs. Ray L. Jennings. She will receive a happy welcome on her return to her home and loved ones. Read the following poem.

My Guide.

There is no path in this desert waste For the winds of the shifting sands; The trail is blind where the storms have raged.

And a stranger, I, in these fearsome lands, But I journey on with lightsome trend; I do not falter, nor turn aside, For I see his figure just ahead— He knows the way—my Guide.

There is no path in this trackless sea; No way is lined in the restless waves; The ocean's snares are strange to me Where the unseen wind in its fury raves. But it matters naught, my sails are set, And my swift prow tosses the seas aside, For the changeless stars are steadfast yet, And I sail by His star-blazed trail— my Guide.

There is no way in this starless night, There is naught but clouds in the inky skies; The black night smothers me, left and right, I stare with a blind man's straining eyes. But my steps are firm, I cannot stray; The path of my feet seems light and wide; For I hear His voice—"I am the way".

And I sing, as I follow Him on— my Guide.

Pastor.

PROMISE BOYS RARE THRILLS.

AMERICAN BOY-YOUTH'S COMPANION readers are due for rare adventure thrills in 1933, according to word just received from America's favorite boy's magazine. Boys will welcome the news that a modern Robinson Crusoe story, in which two boys and a man battle with savages and build a civilization with their bare hands, is on the way!

In this story the three heroes escape into the depths of the Amazon jungles; there they are stripped and left to die by hostile natives; and there, from the natural abundance of the jungle, they build their fortress. From advance notices, it's a story readers will never forget.

Other good things, we learn, are on the way in THE AMERICAN BOY-YOUTH'S COMPANION for 1933. Adventures in all parts of the world; stories of school and college; helpful stories of the professions; sports interviews with famous coaches and players; vivid articles on travel and science.

We suggest THE AMERICAN BOY-YOUTH'S COMPANION as an ideal present for that son, nephew, cousin, and neighbor. It's a character-building, imagination stirring present that renews itself every month bearing your name will be sent to the boy if you request it. Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels. When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement. The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary! Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

COMEDY TWIST LIGHTENS NEW

MURDER MOVIE.

"Guilty as Hell", a murder story with a comedy twist to it, opens Friday and Saturday at the Colonial Theatre, with Edmund Lowe, Victor McLaglen and Richard Arlen in the starring roles.

It is an adaptation of the successful stage play of the same title which enjoyed a long run on Broadway last season.

Lowe and McLaglen, the battling pals of "What Price Glory", "The Cockeyed World", and "Women of All Nations", have the same types of role in "Guilty as Hell"—but they're not in the army, this time. Lowe is cast as a police reporter and McLaglen as a detective.

The picture opens with the murder of a woman. The audience sees the crime and the man who commits it. But Lowe and McLaglen, called in on the case, don't. The many bangles they make before finally straightening matters up produce comedy situations.

Arlen is in the role of a young man, intimate with the slain woman before her death, who faces death by hanging, as a mass of circumstantial evidence piles up against him.

Adrienne Ames, socialite who turned to the movies, has the leading feminine role.

Next week—Lew Ayres and Maureen O'Sullivan in "Okay America".

FRIDAY BRIDGE CLUB.

Mrs. Hy. Merriman entertained her club and a number of other friends at bridge, November twelfth.

A color tone of green and yellow was carried out in details. Receptacles filled with yellow chrysanthemums and autumn leaves were pretty decorations.

Following an interesting session of bridge, a tempting salad and sweet course with coffee was served on attractively arranged plates.

Those enjoying Mrs. Merriman's pleasing hospitality were: Mesdames, Elsie Worden, R. W. Speece, R. J. Reilly, Jean Moffield, Garland Martin, Chas. Monkhouse, T. B. Knopp, Thos. B. Holloway, Marvin Beal, Barnitz Carle, Will Crow and Miss Fanny Carle.

BURGLARS ACTIVE.

Hondo seems to be afflicted with a plague of burglaries lately.

In the early hours of Saturday night a burglar entered the office of the Hondo Lumber Co. and knocked the knob from the safe and had practically opened it when he was discovered by a passerby. Sheriff Schuehle and Deputy Dawson were notified but when they approached the building the miscreant made his getaway in the darkness and left no clue. Their arrival was just in time to prevent his securing any of the money in the safe, but he did considerable damage in his efforts to open it.

On Tuesday night someone damaged two doors on the school building, finally forcing an entrance through one and picked up a dollar that had been left by someone in the building.

LOCKHART CHILD KILLED BY AUTO.

The child was run over Monday while on her way home from school. She died several hours later. Jesus funeral was placed under arrest by Sheriff Walter M. Ellison. Escalval told officials his brakes wouldn't work.—San Antonio Light.

The unfortunate child was related to Henry Embrey and family of this place.

QUIHI NOTES.

Jesus rejoiced in spirit, and said I thank thee, O Father, Lord of heaven and earth, that thou hast hid these things from the wise and prudent and hast revealed them unto babes. Luc. 10:21.

The wise and prudent have rejected Him and His mission. A sad calamity. The "nepioi", the simple-hearted, untutored, the inexperienced have accepted Him and His saving grace, unreservedly, in unconditional faith, clinging to him as babes to their mother. A joyous hour for the Lord. The wise, the prudent, who are they? Men of scholarly attainments? Many of these have faith in Him. Many a one might be well versed in history, philosophy, language, etc., and yet be quite ignorant in sciences, astronomy, art, or vice versa, none knows all, and the best their specialty. Such knowledge cannot appease the soul. Despite the fact it warps the judgment of many, in trying to substitute it for the Saviour and His assets. It's just another species of idolatry. The "nepioi" are the truly wise and prudent.

Memorial services were held both at Quihi and New Fountain last Sunday for Mrs. C. P. Hasskall, the beloved wife of the former pastor of this parish, who was called home on November the 6th. Her noble and exemplary life, devoted to the kind ministrations in her Master's footsteps, has endeared her to old and young in this community, and her sudden demise, though not unexpected, was quite a shock to every one. Sincere sympathy goes out to the bereaved pastor and his children who are mourning the departure of a true companion during a long and blissful life and a mother of singular love and understanding.

Mr. and Mrs. W. Borchers and little daughter, Mr. E. Rips and Miss Frey, all of San Antonio, invaded our premises and, incidentally, were the guests of Mr. and Mrs. Louis Schweers. Miss Frey is a teacher of long standing at the Brackenridge High, after an extended career at the Lutheran College at Seguin during our incumbency. She has recently returned from a repeated visit to Switzerland and, naturally, was bringing with her impressions gathered in that wonderful mountain scenery. We felt somewhat short in trying to match our recent Hondo trip with the grandeur of the Swiss Alps—but, just the same, it was a trip to Switzerland in miniature, a kind of pocket-book edition of it.

Announcements for November the 20th: German service at Quihi at 10:30 A. M.; English service at 7:15 P. M. Mark the changed time schedule. S. S. and Bible Class at 9:15. Thanksgiving Day service at Quihi on November the 24th at 10:30 A. M. The former custom of presenting various gifts and products at the altar of the Lord shall be continued, and you are kindly requested to contribute your share. The evening of the same day is set aside for a social for the members and friends of the Quihi Church Choir, at the parish hall. You are heartily invited to all these services. Give thanks to the Lord for He is kind and His mercy endureth forever. The Pastor.

P. T. A. MEETING.

Two new members, Mrs. Felix Holmege and Mrs. Robert Saathoff, were welcomed into the Hondo Parent-Teacher Association at its regular monthly meeting Monday afternoon, Nov. 7, at the High School Auditorium. The meeting was opened by the assembly singing "America". A short program followed which was entertaining and enlightening to those present. Miss Adele Scott was first with a piano solo, followed by a reading by Miss Ivy Jean Crow. A violin solo by Miss Velma Carter closed the musical part of the program.

County Superintendent W. N. Saathoff addressed the P. T. A., explaining the purpose and procedure of distributing the government donated clothing supplies to the needy of the County and soliciting the aid of Hondo's Association of parents and teachers.

The third grade received the club's gift book, as having eleven representatives present at the meeting.

A short business session was held in which the Treasurer reported a balance of \$21.18 in the treasury.

It was voted by the Association to send flowers to Mrs. R. L. Jennings, active member of the P. T. A., who is recuperating from a recent operation.

A social hour during which Mrs. Nora Bendele as hostess and her committee served refreshments of sandwiches and tea, completed a successful session of the P. T. A.

DEVINE MERCHANTS OUST SAN ANTONIO TRUCKS.

*Devine merchants refuse to buy bread, soda water, and vegetables from San Antonio trucks. In doing so they are following the example of Del Rio, Cotulla, Pearsall, Sabinal, and other cities.

These merchants have realized that by sending the money out of town they are hurting themselves as much as the home town farmer, baker, or soda manufacturer.

They have also realized they were knocking the foundation from their own business.

Anyone with common sense must admit that the dollar must stay at home to do business with.

When a dollar is sent to San Antonio it is dead for your town.

Any merchant who has the San Antonio sign on the sidewalk or his door is teaching the people to buy away from home.

MEN. ANNOUNCEMENT.

All men who are not in attendance on some Sunday school of the town are cordially invited and urged to meet every Sunday morning at ten o'clock in the Bless building, now the band hall.

We are planning to establish a men's down town bible class. There was never a time when we needed to think more seriously on life, its possibilities and opportunities. Men, make your plans to be in on this down town bible study. If you come to town in your overalls, step right in for these few minutes. No one can well afford to neglect or ignore his relationship to his Maker. It is not the outward appearance, but the inner life we are concerned about. Men meet at the above place Sunday morning.
